To Whom It May Concern:

Re: Reference Letter – Jerry Cameron & Commercial Business Services

I have been asked to write a letter on behalf of Jerry Cameron and his company Commercial Business Services.

Jerry Cameron has worked for Filmores since 2000. He helped design, build, install and maintain both our audio and video lighting systems.

Filmores has been in continuous operation for over 30 years, and I can say without reservation that Jerry Cameron is the most knowledgeable and resourceful audio supplier and installer I have ever met.

If you are a believer in hiring the best and trusting them to deliver exactly what you require, Jerry is your guy.

Jerry will not sell you something you do not need. He will not sell you more than you need. He will not waste your money on equipment that exceeds your needs. He will give your business the kind of care and attention that until now only you have provided. He is vested in every job he does and treats it as if he were doing the job for himself. What more can you ask for as a customer?

I give Jerry my highest recommendation.

Very truly yours,

Howard Adams  
President, Filmores Hotel
